OPIUM ON ENTERPRISE;
CAPTAIN YOUNGREN IS FINED

Not Listed On Manifest—Officers on the Trail of More De-
tail—Mexican Arrives with Machinery and Tin Plate—
Much Sugar Arriving From Other Islands—Lurline for the
Coast.

Captain Youngren, master of the
Matson Navigation steamer Enter-
prise that has just arrived at Hilo is
reported this morning as having been
subjected to a stiff fine at the in-
stance of the Federal authorities. Ac-
cording to a tip received at Kahului
yesterday afternoon the steamer En-
terprise from San Francisco with a
large quantity of general cargo reach-
ed Hilo on Sunday.

Contraband opium in goodly quan-
ties is alleged to have been discov-
ered.

It is more than likely that Captain
Youngren or one of the other of his
officers may make a trip to Honolulu,
here to straighten out the trouble in
which that vessel is said to have been
involved.

Kahului also received information

Mexican One Day Ahead of Time.

Reporting a fine trip down from
the Sound, Captain Tapley of the
American-Hawaiian steamship Mexi-
can steamed into the harbor this
morning one day ahead of his time
called for on the regular schedule.

The Mexican brings a varied assort-
ment of general cargo a portion of it
being taken on steamers leaving New
York on April 2nd and 8th. Trans-
shipped at Tehuantepec to the Mexi-
can. That vessel made calls along the

west coast including San Francisco
and Seattle where at the latter port
was loaded quantities of feed stuff.
The freighter brings heavy structural
steel for the Hilo Railway and will
be carried in transit to the Big Is-
land.

The Mexican is due to sail for Is-
land ports on Friday. The vessel will
call at Port Allen; thence to Kahului
and on to Hilo leaving the latter port
on June 12th for Salina Cruz with the
regular amount of sugar.

Hilonian in at Six Tonight.

Due to arrive here at six o'clock
this evening the Matson Navigation
steamer Hilonian will come alongside
the Hackfeld wharf after a trip which
has included San Francisco and Se-
attle.

The vessel is bringing no passen-
gers but has eleven sacks of later
mainland mail. The cargo on board
the vessel is said to be a large one
including 1064 tons merchandise for
Honolulu and also 112,522 feet lum-
ber for this port. At other ports of
call the vessel will leave 274 tons
cargo and 29,596 feet lumber and 1000
empty drums at Kahului, 197 tons car-
go at Port Allen, 21 tons cargo at
Kauai and 147 tons cargo at Hilo.
The Hilonian is due to sail for island
ports on Wednesday evening.

Lurline Away Mid Tears and Flowers.

Amid tears, flowers and hand mel-
ody, the Matson Navigation steamer
Lurline steamed away from her wharf
at ten o'clock this morning enroute
to San Francisco. The vessel is tak-
ing a rather small list of cabin pas-
sengers there being but twenty first-
class and 25 steerage.

The freight list included 1000 tons
merchandise carried in bulk and shipped
from Kahului. In addition there was
6182 tons sugar, 250 tons scrap tin,
the refuse from the tanning factor-
ies and some smaller consignments of
general cargo. Quite a crowd assem-
bled at the Matson wharf to witness
the departure of the vessel. The Lur-
line was given the mail for the main-
land.

Chiyo Maru an Early Arrival.

From San Francisco, the Japanese
liner Chiyo Maru is predicted will be
an early arrival tomorrow morning.
The vessel is expected off the port
by seven o'clock and will be dispatch-
ed for Japan ports and Hongkong at
four o'clock instead of five o'clock as
is the usual hour. The steamer is
bringing no cargo but will arrive here
with several days later mail. A few
cabin passengers have been booked
at the local agency of Castle and
Cooke.

nesday for a cruise of island ports
which will require at least three
weeks to complete. The vessel will
make calls at the various lighthouse
districts with supplies and at the same
time her officers will pay particular
attention to the location of mooring
buoys. The tour will combine a gen-
eral inspection of lighthouses and
buoys in the several districts.

Missourian to Follow.

The American-Hawaiian freighter
Missourian is the next regular vessel
in the service to leave Seattle with
general cargo destined for Honolulu.
The Missourian is scheduled to sail
from the Sound on June 2nd and
should arrive here on or about June
10th.

Helene An Arrival.

cluded the steamer Helene with 11-
655 sacks sugar and a quantity of sun-
dries. The vessel gathered cargo at
Makona, Papeete and Laupahoehoe.

Tin Plate for Canneries.

A quantity of tin plate for the local
pineapple can factories has arrived at
the port as part of the general cargo
brought to Honolulu in the American-
Hawaiian freighter Mexican.

Cattle and Sugar.

The freight list of the steamer Wal-
tele that arrived at the port from Ha-
waii today included 8000 sacks sugar,
231 hales hides, 9 calves, 40 packages
sundries.

SWIMMING
CASE CONTINUES

What he referred to as the "gross
ignorance and miserable incompetency
of the Board of Health," was the theme
of Attorney J. Lightfoot before Judge
Cooper this morning.

President Mott-Smith of the Board
of Health was under cross-examination
by Lightfoot, who was arrested for
violation of the regulations of the
Board of Health prohibiting swimming
in the harbor.

Lightfoot's cross-examination was
lengthy and prolonged, his main in-
tention apparently being to prove that
the upper waters of the streams flow-
ing into the sea on Oahu are "beau-
tiful and clear," which Mott-Smith did
not attempt to controvert.

Lightfoot also made the statement
that people should not be restrained
from swimming because the Board of
Health is not doing its duty in keep-
ing the harbor clear, adding that the
court should interfere and make the
board do its work.

"This court has no inclination or
power to interfere with the work of
the Board of Health," remarked Judge
Cooper.

Walter J. Trask, former president of
the Los Angeles County Bar Associa-
tion, who was stricken with apoplexy
at the California Club in Los Angeles
is dead.
